Evaluation

As stated in the MEO's « Student Success Strategy, 2010 », the categories for achievement of knowledge and skills are defined as the following :

- **Knowledge and Understanding** is subject-specific content acquired in each course, and the comprehension of its meaning and overall significance.
- **Thinking** is the use of a variety of skills in critical and creative thinking processes.
- **Communication** is the conveying of meaning through various oral, written, and visual forms according to accepted conventions.
- **Application** is the use of knowledge and skills to make connections withing and between various contexts.

The following criteria will be applied to all evaluations:

- **Efficiency:** the ability to fully attain the expected result or product.
- **Precision:** refers to the degree of precision, clarity, and conformity to rules and conventions.
- **Pertinence:** refers to the exact concepts and notions under study. **Depth:** refers to the quality of integration of concepts and analysis.
- **Autonomy:** The degree to which a student can accomplish a task without assistance.

For each category, there are four levels of achievement. **Level 3 (70-79%) is the provincial standard.** A final grade is recorded for every course, and a credit is granted and recorded for every course in which the student's grade is 50% or higher.

30% of the grade will be based on a **final evaluation** in the form of an examination, performance, essay and/or other method of evaluation suitable to the course content and administered towards the end of the course. **70%** of the grade will be based on diagnostic, formative, and summative evaluations conducted throughout the course. It is the student's responsibility to demonstrate his or her acquired knowledge and skills by completing all tasks within the assigned time frame in order to allow the teacher to complete the evaluation.

A student who has not demonstrated sufficient acquisition of knowledge and skills (below a level 1) will receive a grade of R and will not receive course credit.
